

# Homecoming rigging guide, drawn by Harry Ketala.

Note - the entrance series was rerigged in 2019 and nothing was documented. This guide is a best guess based off descriptions, surveys and memory. All rope lengths are guesses. This likely contains several mistakes.

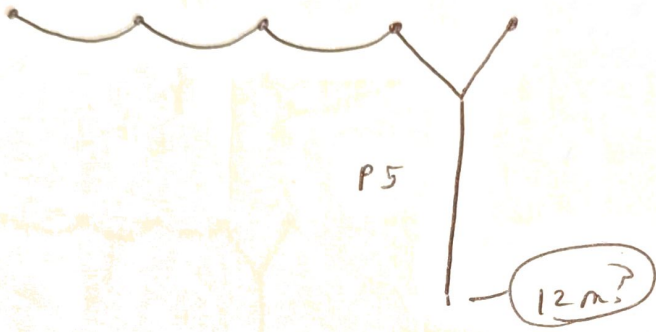

## Entrance Series

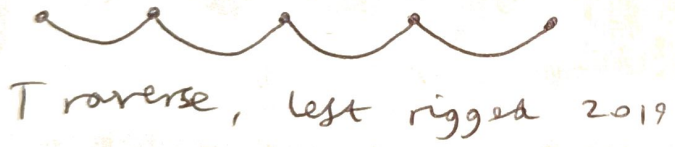

2

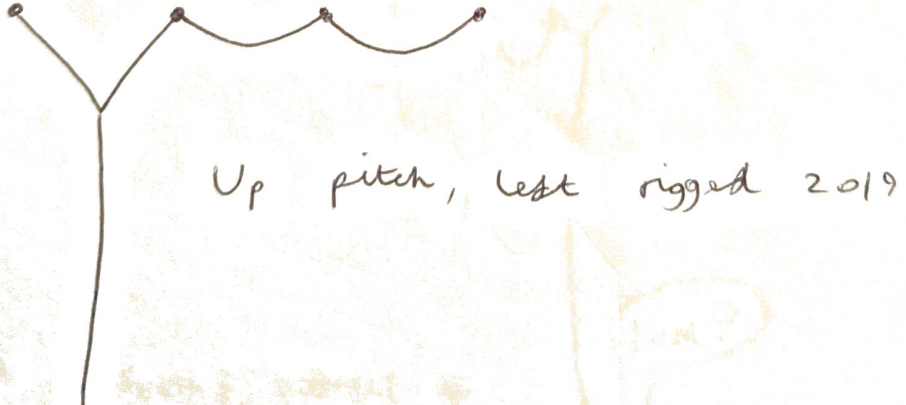

3

4

5

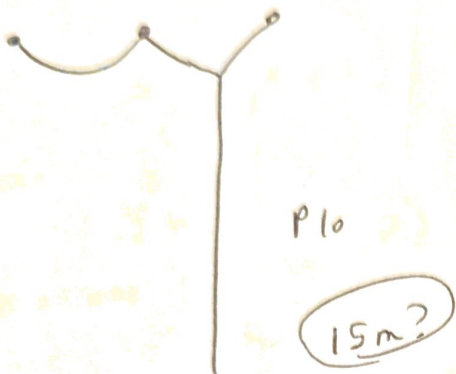

6

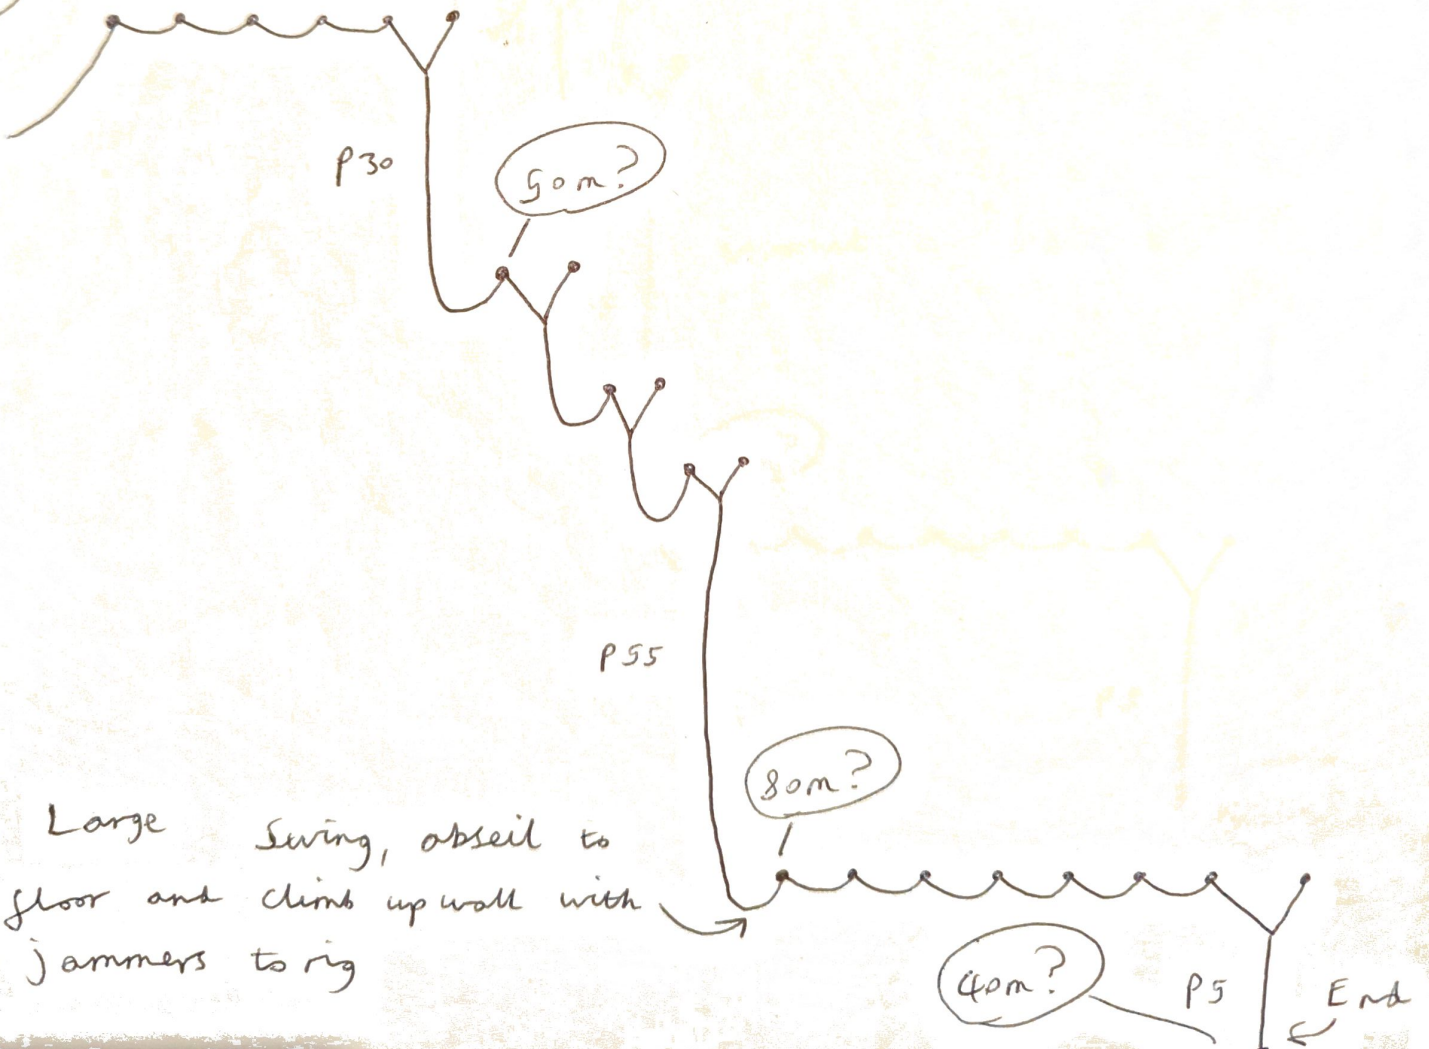

- Description suggests a number of short traverses here. Rigging / rope lengths are unknown

7

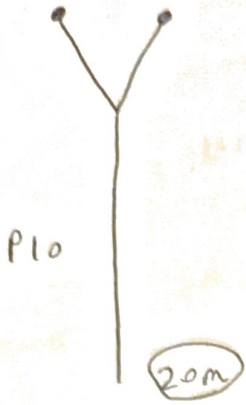

8

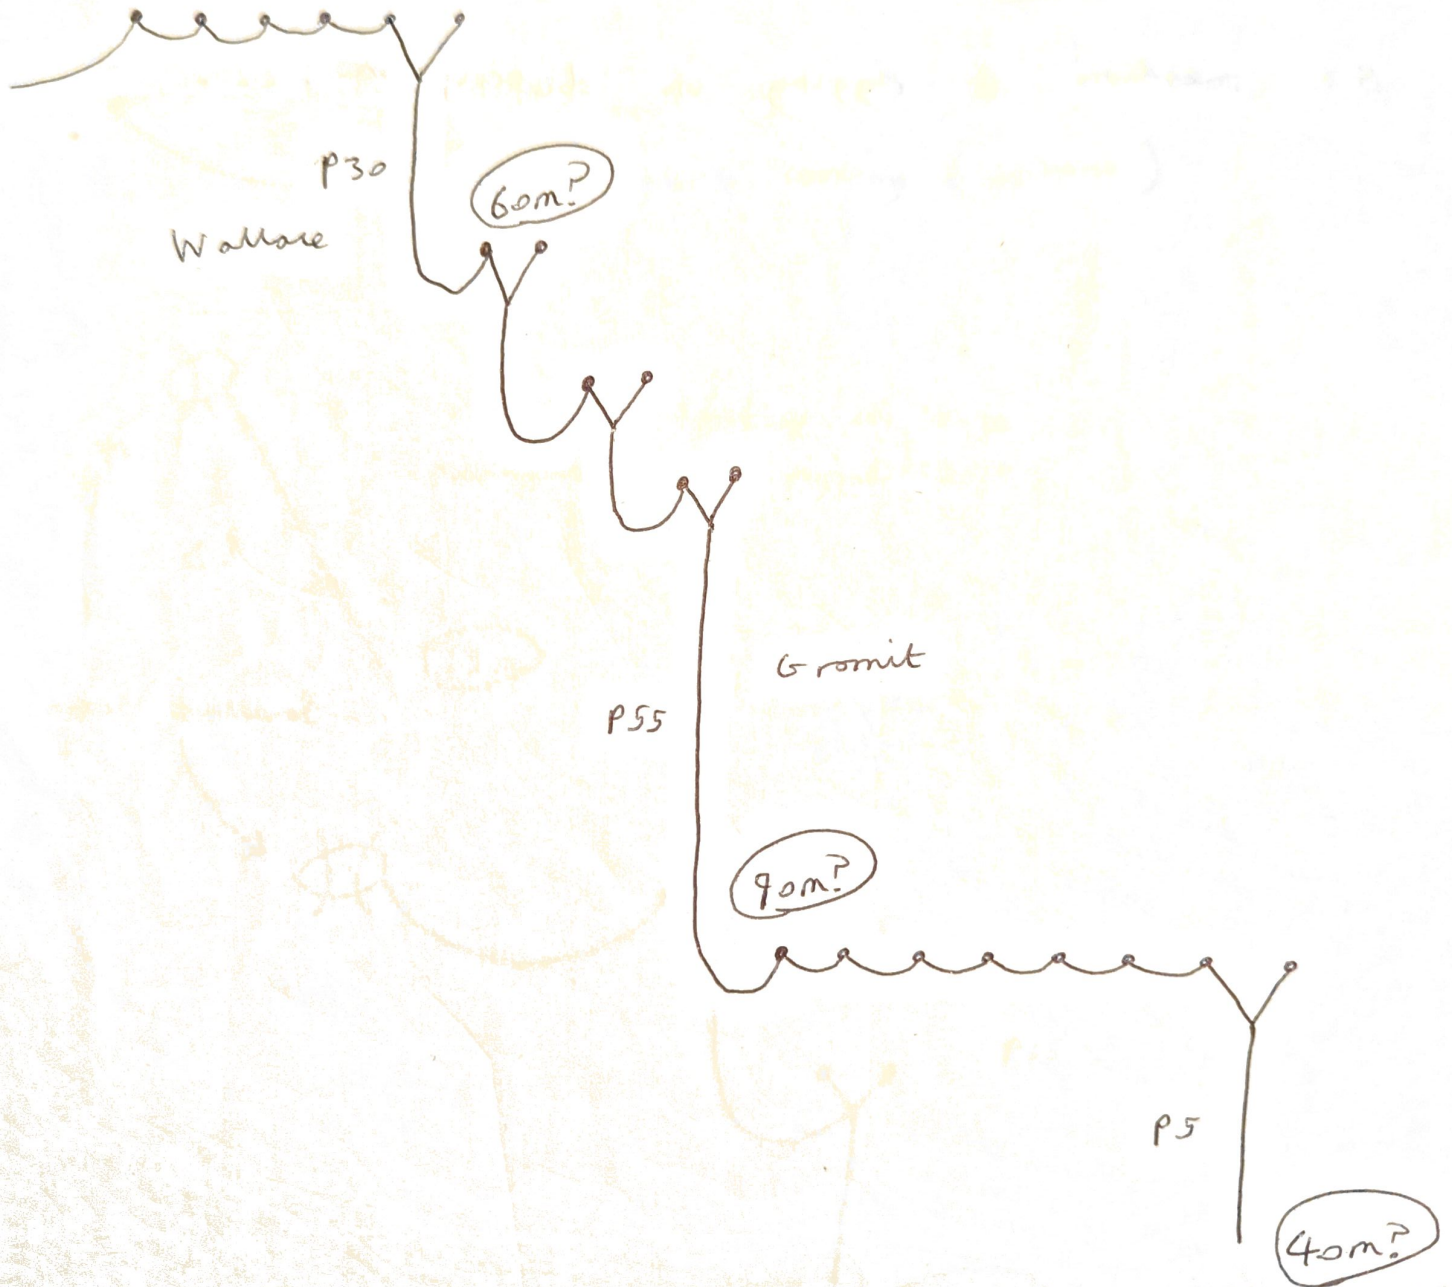

Large swing, abseil to floor and climb up wall with jammers to rig

10
